### EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with William A. Blacke on December 5, 2006.

The application has been amended as follows:

In the Claims:

- In Claim 124, line 16, the word - -below- - has been inserted between "to" and "said".

The following is an examiner's statement of reasons for allowance: the prior art of record when taken as a whole does not teach or render obvious to combinations of Claims 33, 35, and 124 including reducing the tension temporarily below a reference value via a control function in response to an interference affecting the tension (Claim 33, Lines 10-14; Claim 35, Lines 5-11; Claim 124, Lines 15-17).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
